What is the Skills Development Levy?

The Skills Development Levy (SDL) Act, Number 97 of 1998, established a compulsory levy scheme for the purpose of funding education and training as envisaged in the Skills Development Act.

The levy came into operation on 1 September 1999 and the levy became payable with effect from 1 April 2000.

It is payable by employers on a monthly basis. The Minister of Higher Education and Training in conjunction with the various Sector Education and Training Authorities (SETAs) is responsible for the administration of the Skills Development Act No. 97 of 1998. Any enquiries regarding the levy grant scheme must, therefore, be referred to the relevant SETA or the Minister of Higher Education and Training.

The Commissioner for the South African Revenue Service (SARS) is responsible for administrating the SDL Act in so far as it relates to the collection and the payment of such levies by employers to the Commissioner.
